

Standard footprint. Unique innovations.

renaissance® COMMERCIAL HVAC LINE

*Renaissance® is the clear choice for quick,
easy drop-in replacement.*

3 to 25 Ton Packaged Air Conditioners
3 to 25 Ton Packaged Gas Electric Units
3 to 10 Ton Packaged Heat Pumps

Commercial Air

Easier Installation and Replacement

Engineered to make replacement jobs a breeze, Renaissance units feature industry-common footprints that eliminate the need for a curb adapter and thoughtfully placed wiring and piping connections to minimize costs for additional materials and labor.

Packaged Solutions for Every Need

Renaissance products offer up to 17.6 IEER / 12 EER in 6 to 25 ton capacities and up to 16.2 SEER2 / 12 EER2 in 3 to 5 ton capacities. Innovative features like our exclusive PlusOne® HumidiDry® and our patented VelociFin® heat exchanger enhance overall part-load performance.

Powerful, Higher Efficiency Heat Pumps

For applications looking for high-efficiency heat pump performance, the Renaissance Commercial *Classic Plus*® line, which includes 3 to 10 ton models in single- and three-phase options, comes standard with up to three stages of cooling and heating, is BACnet MS/TP- and BACnet IP-ready while also being compatible with universal 24V control.

LIMITED WARRANTY 1 year limited parts, 5 years compressor, 10 years standard heat exchanger, 20 years stainless steel heat exchanger

Exclusively Rheem

PlusOne®
VelociFin®

Patented heat exchanger tubing that increases heat transfer through an innovative velocity concept, improving overall efficiency.

PlusOne®
SmartShield™
Coil System

The industry's only 15-25 ton packaged unit to feature indoor and outdoor interlaced MicroChannel coils, maximizing reliability and decreasing the amount of required refrigerant by up to 60%.

PlusOne®
HumidiDry®

HumidiDry® hot gas reheat improves occupant comfort, enhances performance and saves energy. Available on most Renaissance models, including single-phase power 3-5 ton models.

PlusOne®
ServiceSmart

Contractors spend up to 100 minutes less time performing industry-standard service and preventive maintenance, adding up to substantial savings.¹

PlusOne®
ClearControl™

Real-time system access, monitoring and flexible controls mean easy communication via BACnet, LonWorks or Modbus. Enjoy the freedom to choose without compromising on functionality.

LIMITED WARRANTY 1 year parts and 5 years compressor

Essential solutions.

Rheem is a global brand sold across the world with product offerings covering residential and commercial heating & cooling products, water heating products, indoor air quality solutions, and commercial refrigeration products—making us a one-stop Air, Water and Refrigeration solutions provider.

Through our partnership with Fernwood Capital & Leasing, Rheem *Commercial KwikComfort® Financing* Program makes it easy to get the business equipment you need, when you need it. This includes heating, cooling and water heating systems, IT systems, machinery, titled equipment, furniture—or nearly any equipment that helps your business grow.

With our Protection Plus® extended service agreement program, protect your investment from unexpected, unbudgeted repairs after the limited warranty expires. Protection Plus limited warranty can also be extended.

At Rheem, sustainability isn't just a feature we add to our products—it's a foundation of who we are as a company. As an industry leader, we continue to innovate and reimagine air and water solutions that drive our customers' success and protect the environment we all share. Because doing good isn't enough—we're committed to **A Greater Degree of Good®**.

Rheem air portfolio

Packaged units

- 2 to 30 Tons
- Gas/Electric, Air Conditioners & Heat Pumps
- DOAS (3 to 60 tons | 500 to 15,000 CFM)

Split systems

- 1.5 to 20 Tons
- Air Conditioners & Heat Pumps

Ductless split systems

- Single-zone (9 to 48k Btu/h)
- Multi-zone (18 to 48k Btu/h)
- Low Ambient Heating
- Universal Heat Pump (24 to 60k Btu/h)

At Rheem, we engineer products for life.

For home life. For work life. For the life of the planet we all share. Backed by 100 years of expertise, we're passionate about product innovation and boldly committed to sustainability. Our full line of global air and water solutions deliver reliable performance, comfort and energy savings for residential and commercial applications worldwide.
