ENDEAVOR®

Innovation you can count on

Patented industry-first features and advanced design make the Rheem Endeavor WSA14AY a smart choice.

Peace-of-mind performance

Relax, you're covered by a dependable warranty¹ — 10 Year Conditional Parts.

Less environmental impact

The 7mm condenser coil reduces refrigerant requirements up to 15%. This lowers the amount of greenhouse gases emitted while contributing to Rheem's sustainability goals. A win for all of us.

Durable curb appeal

Louvered side panels provide excellent protection to internal components, while modern cabinet aesthetics, including the powder coat paint system and one-piece drawn and painted base pan, prevent corrosion—allowing your unit to put its best face forward for years to come.

Quiet operation

Efficient home comfort shouldn't be noisy. That's why our air conditioners are designed with acoustics in mind. Integrated sound-dampening features such as refrigerant tubing design, fan blade approach, a one-piece drawn base pan and innovative compressor and drive technologies let you enjoy more efficiency—and less noise.

Sound rating²

Features at a glance

Cooling efficiencies up to:
15.2 SEER2 / 12 EER2

Refrigerant type: R-454B

Nominal sizes: 1.5 to 2.5 Tons

Cooling capacities: 17.1 to 28.6 kBTU

Sound rating²: As low as 74 dB

Compressor type: Single-Stage

Condenser coil type: 7mm

Feature highlights:

Expanded Valve Space – Provides a minimum working area of 27-square inches

Refrigerant Detection System³ – Integrated, patented design providing system protection and homeowner peace-of-mind with low GWP refrigerant monitoring

Limited warranty¹:

Conditional parts – 10 Years
(registration required)
