Innovation you can count on

Patented industry-first features and advanced design make the Rheem Endeavor WA13NZ a smart choice.

Peace-of-mind performance

Relax, you're covered by a dependable warranty¹—10 Year Conditional Parts.

Durable curb appeal

Louvered side panels provide excellent protection to internal components, while modern cabinet aesthetics, including the powder coat paint system and one-piece drawn and painted base pan, prevent corrosion—allowing your unit to put its best face forward for years to come.

Quiet operation

Efficient home comfort shouldn't be noisy. That's why our air conditioners are designed with acoustics in mind. Integrated sound-dampening features such as refrigerant tubing design, fan blade approach, a one-piece drawn base pan and innovative compressor and drive technologies let you enjoy more efficiency—and less noise.
