engineered for life[™]

HEATING  COOLING  WATER HEATING

Innovation you can count on

Patented industry-first features and advanced design make the Rheem Endeavor WA15AY a smart choice.

Peace-of-mind performance

Relax, you're covered by a dependable warranty¹—10 Year Conditional Parts.

Less environmental impact

The 7mm condenser coil reduces refrigerant requirements up to 15%. This lowers the amount of greenhouse gases emitted while contributing to our sustainability goals. A win for all of us.

Durable curb appeal

Louvered side panels provide excellent protection to internal components, while modern cabinet aesthetics, including the powder coat paint system and one-piece drawn and painted base pan, prevent corrosion—allowing your unit to put its best face forward for years to come.

Quiet operation

Efficient home comfort shouldn't be noisy. That's why our air conditioners are designed with acoustics in mind. Integrated sound-dampening features such as refrigerant tubing design, fan blade approach, a one-piece drawn base pan and innovative compressor and drive technologies let you enjoy more efficiency—and less noise.

This Model

Sound rating²

30	Soft Whisper
40	Light Rain
50	Refrigerator Hum
60	Normal Conversation
70	Washing Machine
80	Alarm Clock
